

Going to Poynton High in September 2020?

Uniform 4 you (Part of PSU of Poynton Ltd.) are here to help.

In normal circumstances we invite you to come up to our shop at Poynton High school for a trying on session where one of our knowledgeable members of staff will guide you through what you need, size you up and answer any queries that you may have. Sadly due to Covid 19 this will not be able to take place safely this year. Our priority through this remains our staff and customers' wellbeing, therefore we have set up a website where you can order your uniform online. The login details are as follows:

www.phs.uniform4you.co.uk

Password Yewtree1 (Capital Y)

Once you are logged on please click the new starter tab for all the information you should need and some help with sizing. There is also a FAQ section if you have any questions.

Currently we have good stocks of all sizes so please order now, as if we do run low on any sizes our suppliers will not guarantee garments ordered after mid-July to come in time for September back to school.

Unfortunately due to Covid 19 we won't be able to do exchanges at school or face to face at our offices. If you do pick the wrong size please post it back to us using the note in your parcel (postage paid by customer) and we will send out replacements (postage paid by Uniform 4 You). To ease postage costs we are offering all customers **free delivery on all orders until 05/07/2020**, therefore you will only need to pay postage if you have to return/exchange an item.

We are proud to have supplied Poynton High School parents with high quality uniform for many years, part of our profit goes back into Poynton High School funds so please support us.
