

## How to support my child at PHS

### How to use the Year / Class Page on Google Classrooms:

1. On the Google Classroom homepage, click on the Year / Class Page for your child

On the homepage, it will also state the upcoming tasks that are due and the due date

2. This will open the 'stream' for the year / class page (see below). It will have the most recent information / material / assignments that have been set.
