Dear Parents and Carers

I am writing to you because we have been informed that we will have an Ofsted inspection tomorrow 27th and Wednesday 28th June.

Inspectors will identify and celebrate the strengths of our school and help us to continue our improvement journey. We are very proud of the students that we have and I know they will be their best during the inspection.

Please click on the links below to view a letter from Ofsted and also a guide for parents. We hope that as many parents and carers as possible contribute to the inspection through completing the Parent View survey using the link provided.

Thank you in advance for your comments and we will of course keep you updated on the findings from the inspection.

Yours faithfully

Matthew Dean
