- Think, Drive, Survive
- Finance
- Drugs

Health and wellbeing PSHE association core theme 1

Students learn . . .

H14. assess and manage risk in different contexts; understand how risk is 'calculated' and why it is essential to critically evaluate such calculations (especially those relating to health and offered by the media)

H18. manage alcohol and drug use in relation to immediate and long term health; understand alcohol and drug use can affect decision making and personal safety;

evaluate the impact of their use on road safety, work-place safety, legal safety, reputation and career

H19. manage personal safety off-line, including when socialising (including meeting someone in person for the first time whom they met online, drink spiking, looking

out for friends) and travelling (especially cycle safety, young driver safety, and passenger safety, including the risks of being a passenger with an intoxicated

driver, and using only licenced taxis)

<p>Tuesday 23rd January Conference</p> <ul style="list-style-type: none"> • Ethical dilemmas • A changing world • Climate change 	<p>Living in the wider world PSHE association core theme 3 <i>Students learn . . .</i> L8. recognise and challenge prejudice and discrimination; understand their rights in relation to inclusion L25. recognise and celebrate cultural diversity; understand what is meant by the global market</p>
