

Safeguarding Guidance

As a school we play a role not only in educating students but also in safeguarding. We want to make sure that our safeguarding responsibilities are maintained for all students. If you, or your child, have any immediate safeguarding concerns about a child, where there is an immediate risk of harm, then you must contact Social Care:

Cheshire East	0300 1235012
Stockport	0161 2176028
Derbyshire	0845 6058058

For those families currently working with Mrs Warburton, the School's Teenage and Family Worker, if you feel that you need additional support during the school closure then please contact her using her school email address, swarburton@phs.cheshire.sch.uk
