13 January 2021

Dear Parent/Carer

Year 9 Options

I just wanted to inform you that we have decided to delay launching the Year 9 Options process until after February half term in hope that students will be back in school. However, as it is possible that students may still be working remotely we have planned for both scenarios.

The Options Evening for Parents will be a recorded presentation which will go live on the website on 24th February which parents can watch at any time. There will also be subject presentations delivered in lessons by subject staff or via form period for subjects that are new to GCSE. These will take place in lessons between 24th February and 10th March.

This will ensure that all the students have the information available to make the right choices for them.

The Year 9 Parents Evening is still going ahead as planned and details about making appointments will go out to parents this week. This will be an opportunity to discuss your child's progress in each subject. Further information about the Options process will be sent to parents later this half term.

Kind regards
Mrs D Howells
