

Subject Assessment Information 2021 – Combined Science Foundation

Qualification	GCSE
Subject	Combined Science (Double) Foundation Tier
Assessment length	45 minutes for each assessment (6 Assessments in total)
<p>Topics and skills to be revised and assessed:</p> <p><u>Biology Assessment 1:</u> Assessment 1 will be made up of questions from Paper 1 content The topics to be included will be: Disease, Immunity and Drugs Osmosis Photosynthesis</p> <p><u>Biology Assessment 2:</u> Assessment 2 will be made up of questions from Paper 2 content The topics to be included will be: The Nervous System Glands and Hormones Sexual and Asexual Reproduction Genetics and Inheritance</p> <p><u>Chemistry Assessment 1:</u> Assessment 1 will be made up of questions from Paper 1 content The topics to be included will be: C1 Atomic Structure C3 Quantitative Chemistry C4 Chemical Changes (no electrolysis) C5 Energy Changes</p> <p><u>Chemistry Assessment 2:</u> Assessment 2 will be made up of questions from Paper 2 content The topics to be included will be: C6 Rates of Reaction C8 Chemical Analysis C10 Using Resources</p>	

Physics Assessment 1:

Assessment 1 will be made up of questions from **Paper 2** content

The topics to be included will be: **Forces**

Physics Assessment 2:

Assessment 2 will be made up of questions from **Paper 1** content

The topics to be included will be: **Energy**

Assessment format: All assessments are 45 minutes.

You will have 6 assessments for Combined Science. These will consist of past exam style questions and will contain a combination of:

- Short answer questions (1-4 marks)
- No more than 1 extended response question (6 marker) per assessment
- Practical based questions (normally made up of 1-5 mark questions)
- Some questions will also require you to carry out calculations.

You will need a pen, pencil, ruler, protractor and calculator for all assessments.

Preparation & Revision Advice

- You will be provided with a revision checklist for each subject by your subject teachers.
- You will also have work set on CENTURY to help guide your revision this will be a mixture of diagnostics and Nuggets.
- Past exam style questions will also be set to help with your revision.
