

Poynton High School and Performing Arts College

Head Teacher: Mr M Dean

May 2021

Dear Parent/Carer

Year 6 Summer Activity Week

We are really looking forward to welcoming your young people into our PHS family in September and as part of our preparations we are currently planning our Summer Activity Week. Your young person is invited to attend a week-long series of sessions with us at Poynton High School from Monday 26th July to Friday 30th July between the hours of 9.30 and 2.30.

The week will include a wide range of interactive activities aimed at getting to know some of our staff, meeting other young people starting with us in September and finding out more about what being part of the Poynton family is all about. We'll have a range of activities from African drumming through to robotics. From drama to sport, there will be lots to get us confident in working together and to give us a chance to get to know the school site.

We would welcome as many young people as possible though we do understand that families may already have plans and can confirm that nobody is disadvantaged by not being able to attend.

At this stage we are working on our week of events and will be able to let you know more once we have a response from everyone who is interested in coming along. If you would like your young person to come to our Summer Activity Week please register your interest using the online form here: https://docs.google.com/forms/d/e/1FAIpQLSdDI4jRYOMaYCnds_zp6B8T2CP_7_4zdu0INMtezcAldFsxQw/viewform?usp=sf_link

Kind regards

The PHS Team
