Medical Room Poynton High School

Tel: 01625 871811

Your medical room is open daily from 8.40am until 3.40pm

During lessons: Please make sure your teacher gives you permission to attend or knows where you are before you attend the Medical Room

During break and lunch time: please feel free to call in to the Medical Room, to see your School Nurse.

Mrs S Warburton

Your School Nurse

Your on site School Nurse is called Mrs Sue warburton

Mrs Warburton is a qualified School Nurse with many years experience and is here to help YOU.

Mrs Warburton works closely with external agencies, GP's, Hospitals and most significantly for you, with Mrs Lowe who is the School Nurse provided by the local Health Authority.

Mrs Lowe is also a qualified and very experienced School Nurse and our two services work together to ensure that referrals to other services are activated more smoothly and feedback from external agencies is seamless and speedy.

What can I see the School Nurse for?

Students:

If you are feeling unwell at any time during the school day

If you have an accident or injury during the school day

If you are worried or concerned about any aspect of your health or wellbeing

Do you have to take any medication ?

Do you just simply need someone to talk to

Parents:

Do you have a concern about your child's health?

Are you concerned about their general well being but can't just put a finger on anything specific?

Are you struggling to manage a situation with your child and need someone to discuss this with?

Do you require information or advice ?

Maybe I need help?

I have Asthma and don't know if I am using my inhalers properly

I am overweight and wish to lose a few pounds

I have to have insulin daily and I feel worried about how much to have

I feel sick and dizzy and can't concentrate

There are some students that are picking on me

I keep having headaches

I fell off my bike and hurt my arm

I fell in PE and my knee is very swollen

I am due to have my vaccinations and am scared

And much more
