

# Year 9 Photography Club

The Yr9 Photography Club will be starting on Wednesday 1st December, 3.15pm to 4.15pm.

The club will be running for twelve weeks starting this term and continuing through the spring term. (Students can then use this for a section of their bronze DofE).

If there is high demand for the club then a second twelve week session will be offered.

All Year 9's are welcome to attend. You just need to bring yourselves, enthusiasm and a phone camera.

Photographs open doors into the past, but they also allow a look into the future.
