

Key Stage 4 - Supplementary Information

The curriculum for students in Years 10 and 11 is made up of two components:

The **Core Curriculum** which includes English Language, English Literature, Maths, Science, Religious Studies and Physical Education for the majority of students.

The overview table shows the number of classes for the Core Curriculum.

Options, which is where the students can make choices about the additional subjects they wish to study.

Students have the opportunity to select four subjects from the option boxes.

Each of the option boxes has a mixed range of subjects which makes it possible to follow pathways whilst keeping a balanced curriculum.
