Henry VII

In Year 12 and 13 every student will study the 5 Tudor monarchs.

You are going to complete a project based on at least one of these monarchs. You need to use academic sources- use search engines like Google Scholar and CORE. There are also loads of films/ documentaries to watch on You-Tube

You may present the information in a variety of formats; written project, PPT presentation, film, brochure etc.

**You must provide the following about the monarch(s) you choose**

- Chronology of their life
- Main events of their personal life (marriage/ children etc.)
- Main events of their reign within England (especially any rebellions)
- Main foreign policy events of their reign (especially any wars)
- Succession issues (who took over after them and why?)
