All courses are 100% examinations.

Year 10 Science

- Course is mapped out with built in revision time
- Checklists, Science Six and a chunked revision programme are used throughout the year.
- Information regarding revision guides and buying these at a reduced cost will be coming out this half term.
- Seneca – an online resource that students can use for consolidation, revision and personalised learning. Students will be receiving new log ins for this in the next few weeks
- Focus eLearning to revise required practical work - contains online simulations

More information about all subjects can be found on the school website and in the half termly bulletins

Post-16 Plans

Careers and Post 16 Options Fair Macclesfield College 19th October 4.00-6.00pm

Town-wide event with a broad range of exhibitors including schools, colleges, apprenticeship providers, the NHS, the Uniformed Services, Volunteering Opportunities and a range of local employers from sectors including finance, media, digital, engineering and manufacturing.

A QR code to reserve tickets will be sent via Sims InTouch shortly.

Careers Advisor

- We have an independent Careers Advisor, Mrs Rush who works at school on Mondays and Tuesdays.
- All students will be seen for a 1:2:1 appointment by the end of Year 11.
- Appointments start in the latter part of Year 10 and are ongoing.
- Mrs Rush offers a lunch time drop in every Monday and Tuesday for student who have any questions.
- If parents have any careers related questions these can be send to the Careers Helpdesk at careers@phs.cheshire.sch.uk
- The Careers Advisor can also assist with college or apprenticeship applications and preparation for interviews. Students can either call to see Mrs Rush or request an appointment via their Form Tutor.

Researching for the future – finding good careers information and advice

- To make good choices for the future students will need reliable, up to date information
- To help them, school subscribes to a careers information platform called 'Indigo'. www.indigo.careers
- Students can use Indigo whenever they want. The more they use it, save their ideas and add to it, the more useful it will be for them in the future.
- Username is their school email account address and the password is Poynton21

Poynton High School Educate – Challenge – Empower Charter

- We are proactive in making the positive changes needed for a world where everyone is treated fairly and equally.
- We are KIND and acknowledge that 'banter' can be dangerous and harmful to others, it cannot be used as an excuse.
- We recognise that peer on peer abuse takes a wide range of forms, ranging from sexist name-calling to physical abuse and have a zero tolerance of this.
- We openly challenge harmful language, stereotypes and actions (that show prejudice based on gender, sexuality, disability, race, ethnicity, religion and background.)
- We offer opportunities to talk about how we feel and actively encourage each other to support positive mental health.
- We support each other to make improvements and recognise that failure is part of the path to success.
- We LISTEN to each other and are mindful that everyone faces their own challenges and insecurities. We strive to understand each other.
- We allow and encourage others to do their best, and look out for each other so that this can happen never putting barriers in their way. We have high aspirations for ourselves and each other.
- We are honest.
- We support each other to stay safe in all of our interactions, including online. We look for opportunities to make others feel safe and boost their confidence.

Bringing us together to make sure that EVERYONE in is valued and works to promote an inclusive school community.

Supporting our young people.

- Welfare support
- Subject Intervention
- Half termly bulletins
- Sixth form mentoring
- Remote support – Google classroom
- Registration Activities
- Student development days
- Information and support for examinations – students will receive more information about this throughout the year

How you can support your young person to achieve their potential

Supporting attendance and punctuality

- Allow plenty of time for getting ready in the morning.
- Ensure a regular bedtime routine.
- Arrange appointments after school hours.
- Please plan holidays in accordance with the school calendar.
- Use good judgement when your young person says they are ill.
- Talk to your young person about the importance of attendance.
- If your son / daughter can't come in, tell us as soon as possible.
- Ensure that students catch up on any missed work.

Support their mental health and wellbeing

- Develop routines
- Healthy sleeping habits
- Monitor screen time and the use of social media
- Positive conversations about school and learning
- Healthy living

Make sure they are prepared and ready to learn

- Full school uniform
- Full school equipment
- Have a space at home to keep their school work
- Encourage them to pack their bag the evening before

Engage them in conversations about their day and learning

- Ask them about their day. Get them to tell you about what they have been learning
- Set achievable goals with them
- Encourage them to speak to their teachers when they have questions
- Celebrate any achievements
- Discuss any consequence points

Help them to develop good study habits

- Encourage them to organise their books at the end of each day. Use their contents page and glossaries.
- Retrieval practice
- Reflect on their work
- Have they responded in red pen to teacher feedback?

Revise!

Revision

- **Start early!** We will provide lots of revision support for students, but they should ensure they are starting their revision early.
- **Create a revision timetable** – establish a balance between subjects ensuring all topics are being covered.
- **Try different techniques** – find what works for them!
- **Remove distractions** – mobile phones should be kept out of the way!
- **Get involved** – Support them by quizzing them or getting them to explain things to you.
- **Self care** – take regular breaks, eat well, exercise and get lots of sleep!

Support with home learning

Google Classroom

- Have a place for studying
- Plan home learning time into your routine – Students should be doing at least 2 hours of home learning / revision each day.
- Check Google Classroom
- Ask questions about their home learning and show an interest
- If they are stuck, encourage them to think it through and use the resources they have

Encourage them to challenge themselves

- Don't do the minimum – research something further!
- Share their ideas in class
- Failure is the stepping stone to success
- Take part in an extra-curricular activity/club
- Reading

Talk about their aspirations and careers

- Ask them about their aspirations
- Discuss different careers
- Use the resources on the school website

Broaden their knowledge and experiences

- Discuss a variety of topics
- Talk about things they might see in the news
- Visit interesting places with them

Educate – Challenge – Empower

**Encourage them
to take
responsibility for
their learning,
actions and
choices.**

Who to contact?

- Welfare concerns – Miss Aspinall
- Concerns about general progress – Miss Dovey
- Specific Subject Progress concerns – For the attention of your child's class teacher
- All these contact details plus the safeguarding contact, SENCO, Headteacher and Chair of Governors can all be found on the contact us page of the school website.
