Dear Parent/Carer

Since September 2022, staff have been using Class Charts to track attendance, achievement and behaviour throughout the school day.

We believe in working closely with parents and one of the key benefits of using Class Charts is that we are able to securely share your child's achievement and behaviour report with you and so keep you up to date in real-time.

Class Charts is used to share information with parents about:

- Attendance
- Achievement Points
- Behaviour Points
- Student timetable
- Detentions (coming soon)

If you have more than one child at the school, you can use the same parent account to view the data for all your children. You will be sent separate parent codes for each child.

Class Charts can be accessed via the website, or iOS and Android apps. You can access the parent website and links to the parent apps here: <https://www.classcharts.com/parent/login>

Parents/Carers will require a unique 'parent code' to set up their account. If you have not received yours please email data@phs.cheshire.sch.uk

Please click on the link to view the parent guide to help get you started

If you need any assistance please contact us at info@phs.cheshire.sch.uk

Kind regards
