Matters discussed:

Treasurer's report:

HF got access to the PTA bank account on 5th March and provided the attached update on the accounts.

Correspondence:

No correspondence received.

Twitter:

The account has 1585 followers. Regular tweets have been sent out promoting the Plant sale.

School bids for funding:

Future School Events :

SM had booked the Trampoline event for 23rd May and they would need a £200 deposit for exclusive hire, which was agreed.

Action: SM/AB to confirm, arrange tickets, sale arrangements and the waiver form for parents.

Addendum- following the meeting on 9th May SM/JM received the below update from school:-

Parents are legally able to sign a waiver for their children to attend, however, as a school we would still hold a duty of care over the students as the event would still be organised through us. We would therefore need to staff the event with enough PHS staff who would need to be trained to a sufficient level. Due to the inability to do this we wouldn't be able to run the event.

Any other business:

ME informed the meeting that a cheque from the Round Table has been raised for the PTA for £717, for our help and support at the Bonfire and Santa Dash. A fantastic amount of money for a little effort.

The Rotary Club run Poynton Party in the Park and this may be another area we can support whilst raising funds.

There was a discussion about other events SM mentioned an Art exhibition and frame sale, utilising the students art work, although most work has to be kept as part of the curriculum/exam pieces.

A Summer Music events was mentioned and whether Mr Rawlings may be able to assist.

Meeting closed at 20.35hrs
